Who: Rosemont resident children who are entering preschool through grade 8 in the fall of 2015. Day Camp preschool children must be entering Kindergarten in 2016 and be 4 years old by September 1, 2015. As much as we try, we do not always recognize everyone, especially if you are new to town. Please, when you come to register, bring a gas, electric, or land phone (not a cell phone) bill to prove your residency. If there is a question of residency, you will not be able to register for camp. Only the parent or legal guardian can register a child for camp.

When: Regular Camp - June 8 through July 17 (No Camp Friday, July 3)

Preschool 10:00 am to 12:00 pm

Kindergarten – Grade 8 10:00 am to 3:00 pm

Field Trip days may leave earlier and be longer days – check your schedule. There are some before and after camp activities available. Please do not arrive for Camp more than 15 minutes early! Supervised Lunch is included in the registration fee. No special sign up; everyone except preschool stays for lunch. Bring a lunch!

Extended Camp: This is an option or an extra that you may choose for 2 weeks after regular camp. This option is not available to preschool or grades 7 and 8. The hours are the same as the regular camp, and lunch is included in the cost. During extended camp, we have no field trips. Except for using the gym and swimming, all activities are at the park. The grades will be combined, and a minimum number of campers per grade must be met. You must register for this extra during registration week. If the minimum number is not met, extended camp will be cancelled.

Extended Camp – July 20 through July 31 Kindergarten to Grade 6 – 10:00 am to 3:00 pm

Camp Registration: May 6 through May 9

Wednesday – Friday 10:00 am to 4:00 pm and 6:00 pm to 9:00 pm

Saturday 11:00 am to 3:00 pm

* Day Camp (cont.)

*If your child cannot leave on his/her own at the end of the day, you must pick him/her up within 5 minutes after each day has ended to avoid being charged the late fee. This fee must be paid before your child can return to Camp the following day.

Grades 5 thru 8 are combined into one group. This group will enjoy classes and activities during the week the same as the single grade groups. They will enjoy three field trips on alternating Wednesdays. Children in grades 7 and 8 (if they are the only child from the family to register) have an option to register for either a regular full week or a ½ week registration. For the ½ week registration your child attends camp all day Monday, Wednesday, Thursday plus Tuesday afternoon. Monday morning is the bowling/golf trip, Wednesday is a field trip for weeks 2/4/6, the remaining weeks on Wednesday the kids can choose to come for regular activities. Tuesday mornings are off, and in the afternoon kids can sign up for ceramics. Fridays are off. We will charge a reduced registration fee, only if you are registering one child in grades 7 or 8 for the ½ week. Two children, regardless of grade, will pay the registration fee for two children in a family.

**The basic Day Camp registration fee is a fantastic deal – from 1 preschool child to 4 children registered, the hourly cost per child ranges from only \$ 1.10 to \$3.45! You cannot beat it!
Day Camp costs will not be prorated by the number of days your child participates.**

The Rosemont Park District has Thor Guardian, a lightning prediction system. The sensor monitors energy as far away as 15 miles, evaluating the potential for lightning within an area of approximately two miles in radius. When Thor Guardian senses hazardous conditions, the system automatically provides both audible and visual alerts. It is recommended that when the warning system is activated (one prolonged 15 second horn blast) the affected areas, ball fields, basketball courts, and playground areas be cleared and you should seek shelter. Activity may not resume until the all clear is given (3 short blasts of the horn, and the strobe lights on the building go off). The strobe light signals are a continuing lightning alert. The strobe lights are orange; there is one on the south corner of the building and one on the north side of the building on the Thor Guardian indicator. Common sense must still be used; if there is an unsafe weather condition, do not wait for the horn to blast; clear the area. Hours that the system is activated are 8:00 am to 10:00 pm, seven days a week from March 15 to November 15. The Thor Guardian horn is tested during the above months on every Wednesday at 10:00 am. Park users should stop and seek shelter any time they believe lightning threatens them, even if a signal has NOT sounded! Remember park users will be warned by one prolonged blast signaling a strong risk for lightning in the immediate area. The strobe light signals a continuing lightning alert condition. Three short horn blasts signals it is safe to return to the open outside areas.
